

Mesurez le mur arrière de votre maison et dessinez-le dans la bande grise. Un petit carré = 1 pied.

The image shows a large grid for drawing a house wall. The grid is 50 feet high and 100 feet wide. A grey horizontal band is at the top. The left side has a vertical axis labeled from 5 to 50 in increments of 5. The grid is composed of small squares, each representing 1 foot by 1 foot. The vertical axis is labeled with the numbers 5, 10, 15, 20, 25, 30, 35, 40, 45, and 50. The horizontal axis is not explicitly labeled but represents 100 feet.
